How long have you lived at Magnolia Point?

Twenty-two years.

Who's in your immediate family, at home here or elsewhere?

Norm's sister Marsha lives on Stonebrier. Sandy's sisters and brother all live in Orange Park area. Our Sons and their families live nearby in Jacksonville.

Do you have any pets?

We have two dogs. One is 'Castle', our fourth Afghan Hound, and a small rescue mix we adopted. The only thing that we are sure of is that Abby's mother was a Schnauzer. She is very different from our usual Afghans but, she rules the house.

What was your passion at 16?

Norm grew up in Cleveland. At 16 he was working as a stock boy at a local drug store and attended an all boys Catholic school. During the summers he would spend time in Pennsylvania fishing and playing ball with his cousins. *Sandy* loved dancing and weekends she and friends went to the local teen center for the evening dances and had a great time.

And now?

They enjoy spending time with family, and playing cards and board games with friends here in Magnolia Point. *Sandy* loves to decorate for the holidays. *Norm's* thankful they are down to only three trees now. *Sandy* also took up card making and also serves as a Director on the Board for the First Florida Credit Union. They are active in our church and love working in their yard.

What advice would you give to a 16-year old today?

Norm: Have fun. But also work and study in school. What you accomplish at 16 and the following years will be a foundation for many things that you will do the rest of your life. You will be surprised at what you can accomplish. *Sandy:* First, worship God. Second, love your family. And third is to always do your best in whatever you are doing.

What do you like most about your home?

Norm: Having a hill and a wooded area in our back yard makes you feel like you are out in the country. *Sandy:* I love the neighborhood; the beautiful wildlife, flowers and various trees - is a daily blessing.

Do you have any household projects in the 'planning' or 'dream' stage?

Just continue to work on the back yard landscaping!

Do you see yourself living here in 5 years?

We hope to stay right here for many more years. There are so many things going on here that keeps us active and healthy. We couldn't think of any other place that we would like to live!
