

# FACES & NAMES

**How long have you lived in Magnolia Point?**

We moved to Magnolia Point on December 31st, 2020.

**Who's in your immediate family, at home, here, or elsewhere?**

Larry is from Colombia, SC. He served 20 years in the Air Force. I'm from Spain, graduated in Germany. We have 5 kids and 10 grandchildren, our daughter and family lives in Tampa, FL. Three of our sons and their families lives in Oklahoma. And our younger son and his family lives in Wyoming.

**Do you have any pets?** No pets though we do have lots of hummingbirds, blue birds, squirrels and woodpeckers that keep us entertained.

**What was your passion at 16?** For Larry, to play sports. For me, to travel the world

**And now?** Larry gets to play sports! He's also very involved in church, enjoys golf, fishing and working in the yard. I'm very involved in church, shopping and working in the yard as well; I love flowers! And we both travel a lot.

**What advice would you give to a 16 year old today?**

We both agree on putting God first in your life, hold on to family values, stay in school and get a good education.

**What do you like most about your home?** I love my screened porch to look at the animals that frequent my backyard; it's my own tropical paradise! I have wonderful neighbors as well. And Larry loves his "Steelers Man Cave".

**Do you have any household projects in the 'planning' or 'dream' stage?** Probably a new floor on our covered patio.

**Do you see yourselves living here in 5 years?** Absolutely! We love the neighborhood.
