DARK & STORMY

Fill a highball or old-fashioned glass with ice. Pour in 4 ounces cold ginger beer and 1/4 ounce lime juice if desired. Slowly pour in 1 1/2 ounces dark rum. Garnish with a lime wheel or lime wedge. Stir until combined before sipping.

Dark & Stormy is a zesty, warming, and slightly tropical cocktail with a refreshing kick, with a balance of spice, sweetness, citrus, and deep molasses-like richness. It's a well-rounded drink, with the rum's depth smoothing out the sharpness of the ginger beer. Thank you for the contribution, Ann Sims.
